GFCM STRATEGY 2021-2025

THE IMPLEMENTATION OF THE MALTA
MEDFISH4EVER DECLARATION

Co-founded by the
European Union

GFCM STRATEGY 2021-2025

POSTPONED

High level meeting (June 2020, Algiers) for the adoption of the new GFCM Strategy for the five-year period (2021-2025)

**MEDAC CONTRIBUTION ON
THE MAIN TOPICS AND STRATEGIC ACTIONS**

FIRST STEP

MEDFISH4EVER DECLARATION MAIN TOPICS

- A) Enhance data collection and scientific evaluation
- B) Establish an ecosystem-based fisheries management framework
- C) Develop a culture of compliance and eliminate illegal, unreported and unregulated fishing
- D) Support sustainable small-scale fisheries and aquaculture
- E) Greater solidarity and coordination in the Mediterranean

MEDFISH4EVER DECLARATION MAIN TOPICS

Will the next generation of GFCM strategy keep the momentum and build on the new governance in the Mediterranean, taking into account the gaps that need to be filled and the challenges that lie ahead?
