

FAIRSEA

Fisheries in the Adriatic Region – a shared Ecosystem Approach

FAIRSEA (ID 10046951) is financed by Interreg V-A IT-HR CBC
Programme (Priority Axis 1 – Blue innovation)

Final project Conference

8 July 2021, Split (Croatia)

Cornaro Hotel, Sinjska ul 6, Split

& ONLINE

Agenda (draft)

8th July 2021 (9:00-17:30)

9.00-10.00 Opening, welcome by host (IZOR/IOF), Institutional welcome, JS/MA welcome, Introduction to FAIRSEA (OGS)

Session 1: Building blocks for the EAF in the Adriatic Sea (10:00-11:45)

10:00-10:15 Oceanographic modelling and results (Marco Reale, OGS)

10:15-10:30 Standardizing fishery independent trawl survey data (CONISMA)

10:30-10:45 Analysing VMS shared data (Tommaso Russo, Univ. Tor Vergata)

10:45-11:15 coffee break

Session 2: Scientific Tools for an EAF in Adriatic sea (11:15-12:00)

11:15-11:30 Bio-economic modelling: hindcasting trajectories with BEMTOOL model (Isabella Bitetto et al., COISPA)

11:30-11:45 Data integrated into the food web modelling (Igor Celic et al.; OGS)

11:45-12:00 The FAIRSEA Integrated platform for EAF (Francesco Masnadi et al., CNR-IRBIM)

session 3: Participatory tools in FAIRSEA (12:00-12:45)

12:00-12:10 Participatory process implementation and results (MEDAC)

12:10-12:30 Increasing awareness: tools and results (Tea Kuzmičić Rosandić, SUNCE)

12:20-12:45 Increased skills and capacities on EAF through FAIRSEA advanced schools (Svjetlana Krstulović Šifner, UNIST)

12:45- 14:00 lunch

session 4: Evaluating management strategies in the EAF context (14:00-15:30)

14:00-14:15 Pilot studies: Istra, Veneto, Marche (MPS, VEGAL, ASSAM)

14:15-14:30 Climatic scenarios and oceanographic variables (Gianpiero Cossarini, OGS)

14:30-14:45 Bio-economic evaluation of alternative management scenarios with BEMTOOL (Maria Teresa Spedicato et al. COISPA)

14:45-15:00 Scenarios of alternative management with ECOSPACE (Natalia Serpetti et al., OGS)

15:00-15:15 Scenarios of alternative management with SMART (Tommaso Russo et al., UNI Tor Vergata)

15:15-15:30 Discussion moderated by CNR

15:30-16:00 coffee break

session 5: Interacting with other projects for finding next steps for an EAF implemented (16:00-17:30)

Round table with representatives of related projects of Axis 1 - Blue Innovation in the area Prizefish (Luca Camanzi & Luca Mulazzani, University of Bologna), AdrismartFish (TBD), Itaca (TBC). Weaknesses, linkages, opportunities and how we can see the next future.

17:30 closure of the event and drink together
